### PRACTICAL INFO

Updated on **06.08.2021** (updates in highlight)

#### Important Notes at the Challenging Times of COVID-19 Pandemic.

The health and safety of players, coaches, officials and fans remain the top of the CEV and LOC priority and to achieve this goal, a number of documents have been developed including the [CEV Competitions Hygiene Guidelines](#) and the [CEV Hygiene Guidelines – Beach Volleyball Specifications](#). These 2 documents are constantly monitored and reviewed and complement each other.

#### Covid-19 test certificate

Please take note that all Athletes & accredited delegation members must have a printed negative Covid-19 PCR test certificate conducted no later than 72 hours before the day of the Preliminary Inquiry or arrival day in case of prior arrival.

As per the CEV Hygiene Guidelines / Beach Volleyball Specifications document an athlete/delegation members that has a proven and documented prior infection and a CT value of above 30 are considered as not infectious and will be also admitted for the competition. Further information are detailed in the Hygiene Protocol.

Additional to that, COVID-19 tests will be performed on all team delegation members, CEV officials and referees before participating the Preliminary Inquiry and during the competition. Information over this testing will be shared in the Event Specific Hygiene Protocol and detailed in the Players Info.

#### Travel Restrictions (constantly updated)

The information regarding travel restrictions to Austria is constantly updated and currently available in the following link: [https://www.oesterreich.gv.at/en/themen/coronavirus\\_in\\_oesterreich/pre-travel-clearance.html](https://www.oesterreich.gv.at/en/themen/coronavirus_in_oesterreich/pre-travel-clearance.html)

Special attention should be given to the conditions describe in this travel restrictions page for all those arriving without a proof of full vaccination (starting on the 15th day after their second dose) or have recovered from COVID-19.

#### Specific Hygiene Protocols Implemented at the event

An Event Specific Hygiene Guidelines is annexed to this document and should be carefully reviewed and properly applied by all participants before, during and after the entire process.

In order to receive an [invitation letter](#) and avoid a quarantine upon entering Austria, please send all information indicated in the Hygiene Protocol to the LOC at the following email address: [beach@acts.at](mailto:beach@acts.at)

A [Players Info document](#) will be circulated to all NFs prior to the competition further detailing the implementation of this Protocol.

Failure to abide by these guidelines will be considered as "Failure to abstain from action or behavior" and will be sanctioned with both financial and disciplinary sanctions according to the provisions of the CEV Beach Volleyball Competitions and CEV Disciplinary Regulations, and may lead up to withdrawal of your accreditation and right to participate in the tournament

To ensure the proper implementation of the Event Specific Hygiene Protocols all travelling NFs need to communicate well in advance their travel details. The LOC will be welcoming participating athletes and Official delegation members no earlier than Sunday, 8<sup>th</sup> of August. Further specifications regarding trainings and arrival before the official days of arrival are defined in the respective points of this document.

All Delegation members need to be accommodated in the official Event Hotel from the arrival to the day after elimination.

In addition to that, all people entering Austria may need to fill out the online Pre-Travel-Clearance form, which can be found on the following link: <https://entry.ptc.gv.at/> This must be done at the earliest 72 hours before entry.
